

Valentine for 2006

When you're gone, I'm home alone
No need for give and take
Blankets keep their place when I'm asleep
But, I miss you.

When you're gone, I practice more
Violin left open on the table
Pick it up, play a lonesome tune
Because I miss you.

When you're gone, the cats remain
I undertake their care
Their litter's cleaned out twice a day
But, they meow for you.

When you're gone, I go out
Making peace instead of war
I come back home to solitude
Aware that I miss you

Come back soon, sweet Valentine
I'll gladly cuddle, blankets awry
Put my violin away each day
Endure the cat hair and the smell
And let the world go by
As long as I have you
